Welcome

Dear Parents and Friends,

Welcome to this year's auction, *A Night to Benefit the Kids ...in the Vineyard*. Our students continue to truly exemplify what St. Mary Magdalen School is all about. We anticipate a fun-filled evening featuring wonderful food and friendship. Thank you for your generous support of our school.

The Auction is our largest fundraiser of the year. It is only possible because of the thousands of volunteer hours that so many of you have freely donated. My heartfelt appreciation goes to everyone who served on a committee, collected items, donated goods and services, and who are present tonight. Truly, it is only because of your time, talent, and financial support that we are able to offer all of the many programs that we have at St. Mary Magdalen School. The success of our auction will make a true difference in our ability to keep SMM a welcoming, growing, and accessible school. The funds that are raised tonight will be used in our operating budget to provide equitable salaries for our faculty and enhance curriculum.

The true heart and soul of St. Mary Magdalen School has always been the enthusiasm and dedication of our parents, faculty, and friends. Tonight is a celebration of that spirit and a thank you for the effort and resources you provide to keep the spirit of our ministry vibrant.

God Bless You,

Sr. Joanne McCauley, O.P., E.d.D.

Market Place

Marketplace is now in its 4th year at St. Mary Magdalen School. It is SMM's own little "Ebay" for items that had expiration dates before the auction. It primarily was used for people that had sporting and event tickets that they were unable to use, and they would generously donate them to the school. Silent blind bids were then received, and the highest amount would be the winning bidder.

Thank you to Mary Norman for her outstanding efforts in administering this program. Her creativity, quick response time, and support made this a profitable success for the school. We are proud that Marketplace made \$2,486 so far this school year.

With Mary's help, we will be able to continue this program throughout the school year and encourage everyone to take advantage of this great resource. You are able to participate both in donating items that you are unable to use and as bidders.

Please contact Mary Norman if you have any further questions.

Fund A Need

Tonight we have TWO different Fund A Need opportunities: Program Enhancement and Tuition Assistance.

You may contribute to one or both if you choose.

One of the great hallmarks of St. Mary Magdalen School is the priority given to maintaining affordable tuition while providing all our students a high level of excellence in education. In keeping with this priority, the current economic climate & rising costs may require reductions in some of our extra-curricular programs that enhance our student's education journey. These programs have historically been paid for by the school and include speech, outdoor education, etc. In addition, there is an increasing need for financial assistance from our school families. Both of these areas are in jeopardy and require additional funding. As Christians and as families that support Catholic education, we are called to help each other as good stewards of our faith. By raising your bid number tonight, you can help St. Mary Magdalen School provide the best educational and spiritual programs possible for all our students. Your participation tonight is a true sign that we are partners in our mission of inspiring and developing Christian leaders. We ask you to be as generous as you can!
